OFFICE OF LEGISLATIVE COUNSEL

Wednesday - 16 July 1969

1. (Secret - GLC) Hand carried to Mr. Ed Hartung, Minority Counsel to the Senate Appropriations Committee, a copy of an intelligence report entitled The Technological Gap: The USSR versus the U.S. and Western Europe. This was provided in response to a request Mr. Hartung made to the Air Force. Hartung said he was preparing a letter and was hopeful that this report would be helpful in providing him with background information. Should he decide to draw on any information contained in the report, he will submit his letter to us in advance for security review.

2. (Confidential - GLC) Talked with Jay Sourwine, on the staff of the Senate Subcommittee on Internal Security, about his request of yesterday which was based on a newspaper column by Paul Scott. I told Sourwine that, since Senator Jackson was a member of our Subcommittee, he had access to a substantial amount of Agency information but it appeared that in his speech on the Senate floor the other day he had drawn principally on unclassified material which we had provided him on members of the Politburo. I told Sourwine we would be happy to provide him with this information. Sourwine said he had just returned from lunch with Paul Scott, who informed him that there was much more information in the Agency report used by Jackson than he had used in his column. Scott told Sourwine that information on the preeminence of Suslov was contained in the Agency material but had not been used by Jackson.

Mr. Sourwine said he would like to make the usual request for access to [redacted] "if and when he might be available to the Committee." He added that, since [redacted] had talked to the Christian Science Monitor, he assumed that he could talk with the Subcommittee. I told Sourwine I would check on this and call him back.

tant services to the Federal Government. In the process Dr. Hall lectured me that intelligence was at an all-time low and was not in any way living up to its expectations. (It is assumed that this conclusion was related to his participation in the Pike Subcommittee on the Pueblo.) In the end Dr. Hall softened up somewhat and thanked me for stopping by to do my job.

I dropped by to see Jim Cline, Counsel, House Immigrations Subcommittee of the Judiciary Committee, to determine the Subcommittee's position with respect to Dr. Hall's request, but he was unavailable and I will touch base tomorrow.

11. (Internal Use Only - LLM) Mr. Jay Sourwine, Subcommittee on Internal Security staff, Senate Judiciary Committee, called and asked whether he could have duplicate copies of the material we had sent to him on the Moscow International Conference of Communists and Workers Parties of 5 to 17 June, explaining that they had inadvertently incorporated the material into Subcommittee files and it was beyond retrieval. I said we would be happy to comply if the material is still available.

12. (Confidential - RJK) Delivered to Mrs. Maybelle Woolbert, in the office of Representative Otis Pike (D., N.Y.), at her request an FBIS package entitled "North Korean Authoritative Statements."

13. (Confidential - RJK) Delivered to Mr. Frank Slatinshek, Assistant Chief Counsel, House Armed Services Committee, two FBIS packages, a two-volume study entitled "North Korean Authoritative Statements," and texts of two KCNA broadcasts on the Pueblo.

25X1C 1. (Confidential - GLC) Jim Cline, on the staff of the House Immigration Subcommittee, called to say that Representative Hall of Missouri had raised an objection to House passage of [REDACTED] [REDACTED] Cline said that Hall has asked that the Agency be in touch with him personally to assure him of our interest in the case. I told Cline that we would see Hall and then be back in touch with him.

2. (Unclassified - GLC) Mrs. Maybelle Woolbert, Administrative Assistant to Representative Otis Pike (R., N. Y.), called to try to locate some FBIS material on the Pueblo which had been made available to Representative Pike some time ago and had been returned to us. Mr. Pike was in a hearing and she was somewhat vague as to just what the Congressman wanted. An additional copy of the FBIS material previously sent to the Congressman was sent to Mrs. Woolbert by courier.

3. (Unclassified - GLC) Jay Sourwine, on the staff of the Senate Subcommittee on Internal Security, called to say that in his column, the Scott report which will be printed in tomorrow's newspaper, Paul Scott has indicated that Senator Jackson's timely warning on the Soviet leadership was based on confidential information provided him by the Agency. Sourwine said that he did not know whether this information was reliable but would like to have a copy of any material which we might have provided Senator Jackson in this area. I told Sourwine I would be back in touch with him on this.

4. (Confidential - GLC) Lloyd Salvetti, Administrative Assistant to Representative Hastings Keith (R., Mass.), called to say that some ex-CBS employees would be appearing before the House Commerce Committee this Thursday in executive session to talk about the "staging and attacks on Haiti and the participation of CBS in it." According to Salvetti's information, they also plan to talk about the role of the Agency. He said Mr. Keith would appreciate anything we could give him on this that might be helpful.

5. (Unclassified - LLM) Mr. Noel Byle, in the office of Representative John Brademas (D., Ind.), called on behalf of a Notre Dame student interested in a film and other material on the Agency. Mr. Byle feels we can satisfactorily handle this by sending the standard brochure on the Agency.

6. (Confidential - GLC) Hand carried to Jay Sourwine, Chief Counsel, Senate Subcommittee on Internal Security, a paper on the recent Communist party conference.

7. (Confidential - GLC) Hand carried to Dorothy Fosdick, Staff Director, Senate Subcommittee on National Security and International Operations, selected FBIS materials on the recent Communist party conference.

4. (Internal Use Only - LLM) Lloyd Salvetti, Administrative Assistant to Representative Hastings Keith (R., Mass.), called apologizing that they had to cancel their planned 1 July visit to Agency Headquarters and asked if we could reschedule the visit for 10 July for about an hour starting at 8:30 a.m. I told him I thought we could arrange this, but I would call back and confirm. [] OCI, will not be available and we are checking on the availability of Mr. [] for a briefing on Soviet leadership.

5. (Secret - GLC) [] in the Office of Security, called about an Agency employee in a sensitive position who has been contacted by Senator Joseph Tydings (D., Md.) about job opportunities which may be available to this individual.
